Environmental Policy

The Board of Directors of HC Slingsby PLC recognise the impact on the environment of our business activities and are committed to reducing these impacts through the application of best practice, to:

- Meet, and where appropriate, exceed compliance with all relevant environmental legislation.
- Monitor energy consumption in order to seek and implement opportunities for improvement.
- Monitor waste production promoting minimisation, reuse and recycling in preference to disposal to landfill, and to facilitate the implementation of waste reduction initiatives.
- Initiate such measures deemed necessary to prevent pollution.
- Educate and train employees in environmental issues and impact of their activities.
- Work with customers, suppliers, contractors and employees to minimise environmental impacts throughout the supply chain.
- Ensure continual improvement by the setting and monitoring of environmental objectives at regular Management Review and through 3rd Party and Internal Audit.

This policy is communicated to all employees and is available to the public on request or by visiting our website www.slingsby.com.
